Vice-Chairman (Treasurer) of "Institute of Radio and Information Systems" (IRIS) Association, Ph.D. Degree in Information systems and processes, CEO of Media Publisher Group.

Author of over 45 scientific publications in the field of "Navigation satellite systems" and "International scientific communications system".

Total work experience: 30 years (in the field of "Telecommunications, aerospace technologies and informatics"):

- Moscow Technical University of Communications and Informatics (MTUCI) (2007 - present);
- Ministry of Communications of the Russian Federation (1995-2006);
- Central Aerohydrodynamic Institute named after Professor N.E. Zhukovsky - Aviation State Research Center of Russia (1992-1994).

Education History: Moscow Polytechnic University: Bachelor "Book Science" 1997; Engineer. Specialty "Publishing" 1999.

Scientific and professional fields of activity: Organization of more than 40 international scientific conferences and seminars in the field of "Telecommunications, aerospace technologies and informatics", in cooperation with IEEE, including:

15 Russian domestic Conferences "Information Society Technologies" (2007, annually, up to now);

16 International Conferences with publications in IEEE Xplore Digital Library:

- Systems Of Signal Synchronization Generating and Processing in Telecommunications (2017, annually, up to now);
- Wave Electronics and its Application in Information and Telecommunication Systems WECONF (2018, annually, up to now);
- Systems of Signals Generating and Processing in the Field of on Board Communications SOSG (2018, annually, up to now);
- International Conference on Engineering Management of Communication and Technology EMCTECH (2020, annually, up to now).

Publishing of scientific journals, including in EBSCO database (T-Comm) and ERIH PLUS (SYNCHROINFO JOURNAL) etc.

Chair of IEEE Technology and Engineering Management, Geoscience and Remote Sensing, and Intelligent Transportation Systems Joint Societies Chapter (CH08129). IEEE Member of Circuits and Systems Society.
